LEGISLATIVE;

We haven't had contact with any Legislator's this month.

Jim Parker, Frank C Maimone, Janet & John James attended the Brain Injury Symposium. Frank posed some questions that made some of the Symposium members re-think their previous position. They appeared to know a lot about brain injuries, but appreciated input about motorcyclist. A.B.A.T.E. has not received a return invitation.

Senator Donald Norcross met with Barb (Barb's HD). He expressed an interest in meeting us and getting to know about our organization. The Senator was also interested in learning about Trevor James and the foundation. He will support our legislative effort.

There was no new legislation introduced this month.

Congressman Rob Andrews will be a "no show" for the Trevor James Benefit on June 4th. This will be the second year without a "live" update on the legislation **HE** proposed.

May is motorcycle awareness month. We should be seeing an awareness message on the electronic billboards, like the one on Rt. 73 in Marlton.

The death rate is down for motorcycles again this year. According to the Courier Post article it is related to "wearing helmets", unfortunately, we have been wearing them for over 35 years.

There will be 8 new Trevor James signs going up, one will be on Rt 95 opposite the sports complex in South Phila., and one in Berlin.

The Right of Way Bill is being reintroduced, with amendments, by Assemblyman Nelson Albano. The Assemblyman is a great supporter of motorcycle rights
